

DESIGN CDS

FOR USE WITH GLASS EYE 2000R

RegaLead offer a large selection of design CDs containing hundreds of stained and overlay glass designs for use with the Glass Eye 2000 software. Designs can be used as they are or re-sized and colours changed to suit, using the library of traditional stained glass or Stained Glass Art Films in the Glass Eye 2000R software.

CDs are available individually or in sets.

Designs are in .EYE, .JPEG and .TIF formats.

PANED EXPRESSIONS
