

TDS23 REGACLEAN No. 1 October 2005 Glass Cleaner

RegaClean No. 1 Glass Cleaner and Degreaser

1. PRODUCT DESCRIPTION

RegaClean No. 1 is an Isopropanol based aqueous solution formulated to clean and prepare glass substrates prior to the application of RegaLead self adhesive overlay product. It is normally used as a final cleaner after stubborn stains or contamination have been removed by an appropriate cleaner.

2. APPLICATION

Apply evenly to the glass surface and remove all excess with a soft lint free cloth or paper towels. Ensure all moisture is removed fully before the glass is processed. Further advice on the suitability of the cleaner for specific applications in the preparation of glass prior to producing insulated glass units is available from RegaLead.

3. TECHNICAL SPECIFICATIONS

Colour Clear

Specific Gravity 0.79 – 0.85

Packaging 500ml Trigger Spray bottles
5 litre plastic bottles

4. HEALTH & SAFETY

Avoid skin contact and use in well ventilated areas. Refer to Health and Safety Data sheet HS12 for further details.
